Episode #42:

- Clash Under Pressure

Scripts:

Narrator: Ash, Ty and his friends continue their journey toward Mahogany Town. With Ty looking forward to the next Gym battle approaching of excitement to build!

Dawn: **Stretching his arms** What a great day for traveling. It definitely feels nice to be back on the road again.

Max: **Smile** And we're getting closer to Mahogany Town that Ash mentioned. I can't wait to see it.

Togepi: Togepi.

Ash: **Smile** You'll see when we arrived there, Max.

Pikachu: Pika.

Raye: I don't think it's far since we're closer now.

May: Which means that Ty is ready for his battle.

Ty: **Excited** You are right that I'am.
As they are walking, Ty was smiling while walking

Raye: So, how are you feeling today? Are you good enough

Ty: **Smile** Yeah, I feel a lot better. That rest from last night really helped me.

Teddiursa: Teddiursa.

Jonah: That's great to hear, buddy. Passing out again isn't part of the plan.

Ty: **Chuckles** Don't worry. I've learned my lesson.

Avery: You definitely seem more energized today, and much healthier.

Sarah: **Smile** He's healthy already.

Ash: And you're ready for your gym battle as well.

Ty: Absolutely. After all that training, I feel more prepared than ever.

Sakura: You worked really hard for this chance.

Lillie: Do you think you'll win your next badge?

Ty: That's the plan that I'm looking for. It doesn't matter if every gym battle is different. That's why I want to be ready for anything.

Sarah: You're making a smart approach.

Jonah: If we keep this pace, we should arrive soon.

Ash: Neither can we.

Pikachu: Pika!

(Pokemon Master Revolution Theme Song Plays:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all

Lillie (Narrator): Clash Under Pressure!
The gang continues walking through the forest route toward Mahogany Town

Ash: ...

Raye: Something in your mind?

Ash: Yeah. This'll be my second time visiting Mahogany Town.

Jonah: You were?

Ash: Back then, when I was traveling through Johto, I challenged Pryce.

Ty: Wow. What was he like?

Flashback
Ash's Pokémon, Cyndaquil was battling with Pryce's Dewgong

Ash: He was tough, really tough. I remember hearing about him. He was calm and experienced, and he knew exactly how to battle.

End of flashback

Jonah: What type of Pokémon does he use in battle?

Ash: He utilized Ice-type pokemons.

Sarah: **Surprised** Really? He's using Ice-types pokemons to challenge you?

Ash: Yep. It was a tough challenge, but we had a great time.

May: You remember everything about him. That's a good memory.

Ash: He was very strict, but he finally admired my pokemon since I won against him.

Pikachu: Pika Pika.

Lillie: That's a good streak. I bet Ty is ready to face him.

Ty: Yeah, I'll need to be more careful over the type he's using. Teddiursa will take them down when we are ready.

Teddiursa: Teddiursa!

Avery: **Grinning smug** Well, Ty. Try to be more careful then.

Ty: Hm?

Avery: Try to do us a favor by not catching a cold before the gym battle.

Ty: **Bothered** Eh!?

Max, Jonah, & Ash: **Snicker laugh**

Dawn, Raye, Sakura, May, Lillie & Sarah: *Laughs softly*

Pikachu, Togepi & Manaphy: **Laugh softly**

Teddiursa: **Deadpan**

Ty: **Deadpan** That was terrible.

Avery: **Smile** Come on, it was funny.

Ty: No, it wasn't.

Jonah: **Chuckles** I have to agree with Ty on that one.

Sarah: That joke was pretty cold.

Avery: Oh yeah, whose side are you on?

Sarah: **Smile** I'am

Ash & his friends: **Laughs**

Sakura: **Smile** I knew you could say that.

Ty: **Smiling slightly** Well, like it cold or not, I'm ready!

Teddiursa: Ursa!
The gang resumes walking toward their destination. Hidden among the trees and brush, several figures watch Ash and his friends from a distance walking along the trail below, unaware that they are being watched

Poacher Leader: **Lowering his binoculars** There they are. That's a pretty big group.

Poacher #1: And they've got a lot of Pokémon with them.

Poacher #2: Those Pokémon would be worth a fortune.

Poacher Leader: **Smirking** Hm.

Poacher #1: Should we move in now?

Poacher Leader: No. Charging recklessly is how amateurs get caught.

Poacher #3: What's the plan?

Poacher Leader: We follow them, without getting spotted. Will wait for an opening for them. The moment they let their guard down, we strike.
Then, the Poacher leader gives his henchmen an order

Poacher Leader: Listen carefully. Nobody gets ahead of me. Nobody makes a move unless I give the order. Understand?

Poachers: **Nodded** Yes sir.

Poacher Leader: Good. Those Pokémon are ours.
He turns and begins moving down the hillside. Ash, Ty, and their friends arrive at a grassy clearing surrounded by trees. After several hours of walking, they decide to stop for a short break

Ash: Looks like a good place to rest for a little while.

Raye: A quick break sounds nice.

Avery: Finally. We've been walking for quite a while.

Lillie: And our Pokémons could probably use a rest too.

Sarah: We'll continue once everyone's recovered.

Avery: I'm definitely not arguing with that.

May: Let's release our pokemons.
The group releases several of their Pokémon into the clearing. The Pokémon spread out across the clearing, playing, relaxing, and enjoying the peaceful surroundings

Ty: Mahogany Gym isn't far now, but we can wait while we train.

Raye: You're still thinking about training again?

Ty: I want to make sure I'm completely ready.

Ash: That's the Ty we know.

Raye: So wanna resume the training then?

Ty: Sure. A quick practice match couldn't hurt.

Raye: Sounds good to me.

Jonah: These two never stop training.

Sarah: At least they're motivated.

Avery: They sure are. Just don't overdo it this time, Ty.

Ty: **Annoyed** I heard that!
Unknown to the group, several poachers watch from behind the surrounding trees

Poacher #3: They're all gathered in one place.

Poacher #2: This couldn't be easier. And we've got rare ones too.

Poacher Leader: Perfect. This is the opportunity we've been waiting for. Are the traps prepared?

Poacher #4: The traps and nets are ready. We'll grab every last one of them.

Poacher Leader: **Smiling coldly** That's exactly what you're going to do. Make sure none of them escape.
The poachers quietly begin moving into position around the clearing. Back in the clearing, Ty and Raye move toward a nearby battlefield area while the others continue relaxing

Ty: Ready to start?

Raye: Always ready.

Ty: Teddiursa, use Fury Swipes!

Teddiursa: Teddiursa!

Raye: Eevee, avoid the attack and use Quick Attack!

Eevee: Vee! Vee!
Teddiursa rushes forward with glowing claws while Eevee quickly sidesteps and dashes toward Teddiursa

Eevee: Vee!

Teddiursa: Ursa!

Ty: Nice move, Raye. You've trained Eevee really well.

Raye: Thanks, but we're still improving.

Ty: **Smile** Shall we continue?

Raye: **Smile** Of course.
Ash and his companions watches them

Jonah: They're both doing great. His movements are a lot sharper than before.

Lillie: And Raye's getting better at adapting during battles.

Sakura: Their teamwork with their Pokémon is improving too.

Lillie: **Smiling** They're putting a lot of effort into their training. You can really tell they want to become stronger.

May: That's how Ty is up for.

Manaphy: Mana.
May sits beside Manaphy, offering it a berry

May: **Smile** Here you go, Manaphy.

Ash: Ty never stops thinking about training and improving.

Dawn: Sometimes a little too much.

Avery: At least he's learned to take breaks now.

Ash: You'll probably try to distract Ty if you joke about him.

Avery: **Smile** Hey, I'm only teasing though.
Then, Avery questions about Ash

Avery: Ash, there's something I've been wondering.

Ash: Hm?

Avery: What was your battle with Pryce actually like?

Dawn: I'd like to hear about it too.

Ash: **Chuckles** Well, it definitely wasn't easy.
Ash explains his past story about Pryce

Ash: Back then, I battled very differently. I relied a lot on rushing in and attacking without thinking things through.

Sarah: Sounds like you were pretty reckless.

Ash: Maybe a little. Pryce noticed that right away.

Lillie: What did he say?

Flashback
Pryce was disappointed and scolded on Ash as a weak trainer

Ash: He thought I relied too much on raw energy and not enough on patience, calling me a weak trainer.

End of flashback

Raye: That sounds like something a Gym Leader would point out.

Ash: At first, he seemed frustrated with how reckless I was during the battle.

Max: Really? He was scolding you for your skills?

Ash: But after seeing how hard Pikachu and I kept fighting, he started to understand my style better. The battle became more than just winning and losing. It turned into a lesson.

Jonah: A lesson of endurance?

Ash: Yeah. Pryce wanted me to learn that strength isn't only about attacking. It's about staying focused no matter how difficult things become.
During his explanation to his companions, Ty and Raye watches them as they join the conversation

Ash: He taught me that patience and determination can be just as important as power. After that, he finally approved of my progress.

Ty: That's a pretty valuable lesson.

Ash: It really was.

Sakura: **Smiling** I understand exactly what you mean. I've learned it too, he approved of me too.

May: Wait. You battled Pryce too, didn't you?

Sakura: I did, during my previous adventure. With every move had a purpose. Battling him taught me to think carefully before acting.

Dawn: Sounds like he leaves an impression on everyone he battles.

Sakura: He certainly does.

Max: Now I really want to meet him and tell everything more about him.

May: You haven't even met him yet and you're already excited.

Max: Can you blame me?

May: **Smile** Not really.

Togepi: Toge!

Manaphy: Mana!

Ty: **Smiling confidently** The more I hear about Pryce, the more I want to challenge him. It could be difficult or not, I won't lose this battle.

Teddiursa: Teddiursa!

Manaphy: Manaphy.

May: **Smile** Be careful out there, Manaphy.
Manaphy joins with Pikachu and their buddies to the plain field, floating through the air

Pikachu: Pika-pika!

Togepi: Togepi!

Squirtle: Squirtle!

Minun: Min, min.

Pachirisu: **Chirping**

Manaphy: Mana
Suddenly, a loud bang echoes from the trees, a massive net launches appears, dropping over Manaphy

Manaphy: **Shocked** Mana!

Pikachu & his buddies: **Shocked**

Ash & his friends: **Shocked**

Raye: What's going on!?

May: Manaphy!!
Before anyone can react, several more nets shoot out from different directions

Pikachu: Pika?!

Togepi: Toge?!

Piplup: Piplup!

Espeon: Espeon!

Pachirisu: **Chirping**

Squirtle: Squirtle!

Snowy: Vulpix!

Litten: Litt!

Minun: Min!

Wooper: Woop!

Girafarig: Fariiiig!

Blaziken: Blaziken!

Glaceon: Glaceon!

Quilava: Quila!
The nets capture nearly all of the Pokémon at once. Nearby, Teddiursa, Croconaw, Gyarados, Eevee, Psyduck, and Plusle manage to avoid the nets

Ty: You guys all right?

Teddiursa: Ursa!

Croconaw: Croco!

Gyarados: **Growling calmly**

Eevee: Eevee!

Plusle: Plu!

Psyduck: Psyduck!
Several poachers rush out from the trees

Poacher #3: Grab them!

Poacher #5: Move! Move!

Sarah: Who are these guys!?

Dawn: Bandits!? What's going on here?
The poachers quickly drag the trapped Pokémon toward a large transport vehicle hidden nearby

Pikachu: **Calling for help** Pika!!

Ash: Pikachu!

May: Stop! Leave them alone!

Manaphy: Manaaa!
Ash and the others sprint after the poachers

Avery: They're getting away!

Raye: Not if we stop them first!
At the vehicle, the poachers throw the captured Pokémon into reinforced cages

Poacher #6: Boss, we secured the pokemons.

Poacher Leader: Excellent work. Let's leave before the kids catch up.

Ash: **Mad** You're not getting away with this!

Jonah: **Mad** Give our pokemons back!

Poacher Leader: Try it if you dare. Skuntank, come on out and use Smokescreen!

Skuntank: Skuntank! Skuntank!
A thick cloud of dark smoke erupts across the area

Everyone: Agh!

Sakura: I can't see anything!

Lillie: The smoke's everywhere!

Poacher Leader: **Laughing from within the smoke** You're too slow, kids! If you wanted your Pokémon back, you should've reacted faster!

Ty: They're getting away!
The vehicle engine roars to life as the companions tries to stop them

Poacher Leader: We're out of here!
The vehicle speeds away into the forest

Manaphy: Mana!

Pikachu: Pika!

Togepi: Togeeepi!
The smoke began to clear, it was already too late. The poachers escaped with the captured Pokémons

Ty: No...we're too late.

Sarah: **Worried** They got away with our Pokémon...

Avery: Oh my Pachirisu, Wooper.

May: Manaphy, Togepi. Everyone.

Dawn: What are we going to do?

Ty: We have to get our pokemons back!

Avery: But how!? We'll never find them!

Raye: We have my pokemons. They're saved.

Ty: Mine as well.

Teddiursa: Teddiursa.

Sakura: That's smart for them. But still they have mine.

Ty: Don't worry, Sakura. Will get it back.
Deep within the forest. Ash, Ty, and their friends run along a trail, determined to catch the poachers before they get too far away

Ty: Keep going, everyone. They couldn't have gotten that far ahead!

Ash: It's our chance to save everyone. They might have left clues behind.

Avery: No question about it.
As the group rounds a bend in the trail, several police vehicles become visible ahead. Uniformed officers are examining tracks and speaking into radios

Dawn: Huh? Police Officers?

Ash: Wait a second...
A familiar officer turns toward them, it was Officer Jenny

Officer Jenny: Everyone, you're not supposed to be here.

Ash: Officer Jenny, it's me!

Officer Jenny: Ash! It's good to see you again.

Ash: It's good to see you too!

May: Officer Jenny, we're glad you're here. We need your help.

Officer Jenny: What's wrong?
The gang explained the situation from earlier

Ty: While my friends and I had a great time, a group of bandits suddenly attacked us, and captured most of our Pokémon.

Dawn: They used giant nets and loaded them into cages. Then they escaped into the forest, and we were trying to chase them down.

Officer Jenny: Bandits? You mean the group of poachers that were looking for?

Lillie: Yeah. Do you know about them?

Officer Jenny: Yes. We've been investigating a series of illegal Pokémon-poaching operations around Mahogany Town.

Dawn: So they're responsible for this?

Officer Jenny: Definitely.

Police Officer #1: We've received multiple reports of missing Pokémon in the area. We found the tracks of the vehicles.

May: That's it! They left a track and clue about their hideout. It could lead us there!

Ty: Then we're definitely stopping them. We're gonna save our Pokémons as fast as we can.

Officer Jenny: I expected you'd say that. Because we're going after them too.

Max: Really? Are you helping us too?

Officer Jenny: **Smile** Absolutely. If your Pokémon were taken by the same group we're tracking, then our goals are the same.

Sakura: Then let's work together.

Ty: **Smile** That's exactly what I was thinking.
Ash's team, Officer Jenny, and her police force carefully follow the trail left behind by the poachers' vehicle

Sarah: Any tracks in this area?

Officer Jenny: The tire tracks continue this way. They're still fresh. They can't be too far ahead.

Ash: Then let's keep moving.

Max: I hope Manaphy and Togepi are okay.

May: Same here, Max.

Dawn: We'll get to them soon.

Jonah: We shouldn't rely only on the tire tracks. The poachers might try to cover their trail.

Raye: That's a good point.

Officer Jenny: Let's spread out slightly and search for more signs.

Ty: We'll let our Pokémon help too. Teddiursa, Eevee, can you search ahead and find more tracks?

Teddiursa: Teddiursa.

Eevee: Eevee.

Raye: Be careful, Eevee.
Teddiursa and Eevee run ahead of the group, sniffing around the forest floor and examining the area* Deep within the poachers' hidden camp. Several large transport vehicles are parked near stacks of cages. Inside the cages, Pikachu and their buddies remain captive in the cages

Pikachu: Pika...

Manaphy: Mana...

Poacher Leader: **Chuckles** Look at that. Still hoping your trainers are coming to save you?

Pikachu: **Angry** Pika!

Poacher Leader: Sorry to disappoint you. By the time those kids find this place, you'll all be long gone.

Manaphy: **Mad** Mana!

Poacher Leader: You can glare at me all you want. It won't change anything.

Poacher #3: Boss, the latest batch is loaded. The trucks are almost full.

Poacher Leader: Keep it up all of you.

Poacher #4: Yes, boss.

Squirtle: **Mad** Squirtle! Squirtle!
Squirtle loses it on the cage, attempting to escape

Poacher #3: Well, well. What's wrong, little guy? Not looking so tough now, are you?

Squirtle: Squirtle?!

Poacher #3: Maybe you should've stayed with your trainer.

Squirtle: Squirtle!
Squirtle suddenly fires a Water Gun through the bars of the cage. The blast hits the poacher square in the face

Poacher #3: Gah!!!
He stumbles backward, soaked from head to toe

Pikachu: Pikachu!

Piplup: Piplup!

Wooper: Woop!
The Pokémon cheer and laugh at the embarrassed poacher

Poacher #3: **More angry** Why you!!!

Poacher Leader: Enough.

The camp immediately goes quiet

Poacher Leader: Stop fooling around and get back to work.

Poacher #3: Yes, boss.

Poacher Leader: And keep an eye on those Pokémon. They're more troublesome than they look.
Pikachu and their buddies are still having hope for Ash and his group while Piplup and Espeon comfort Manaphy who looks scared. Back in the forest, Ash and everyone carefully move through the trees, following Teddiursa and Eevee as quietly as possible

Officer Jenny: Anything you two?

Teddiursa: Teddiursa.

Officer Jenny: Keep looking, they can't be far.
After a search around the forest, Eevee finds the poachers hideout

Eevee: Eevee! Eevee!

Raye: **Whispering** Eevee found something!

Ash: Let's take a look.
The gang carefully peers through the leaves

May: **Gasps** That's them.

Lillie: And... all those cages...

Dawn: There are so many Pokémon trapped there.

Max: Not just ours. They've captured dozens of other Pokémon too.

Officer Jenny: Even worse than we expected. Those trucks must be transporting stolen Pokémon.
May focuses on one of the larger cages as she sees Manaphy among the others

May: Manaphy...**Relieved but worried** Hang on, Manaphy. I promise we'll get you out of there.

Dawn: Hmm...there are many poachers guarding the area. Any suggestions?

Ty: I believe we need a distraction.

Raye: Plusle can handle that.

Plusle: Plus!

Officer Jenny: Good idea. Once they're distracted, we'll move in.

Sarah: If they panic, they might move the cages.

Raye: Don't worry. Plusle will handle everything.

Ty: Teddiursa can accompany you.

Teddiursa: Teddiursa.
Plusle got in position, awaiting Raye's call

Raye: You ready, Plusle?

Plusle: Plusle.

The criminals continue loading cages of captured Pokémon onto their pickup trucks while several guards patrol the area

Poacher #1: Boss, we've almost finished loading the cages.

Poacher Leader: We're almost done. Set up the perimeter traps.

Poacher #2: You think the kids are still following us?

Poacher Leader: I don't think so, I know they are. We'll make sure they regret it.
The poachers begin setting concealed rope traps, net launchers, and alarm devices around the camp. Inside one of the cages, Pikachu stands determined

Pikachu: Pika... Pikachu!

Manaphy: Mana?

Pikachu: Pika...chuu!!!
The electricity strikes the reinforced bars, but the cage had no effect

Pikachu: Pika?!
The pokemons were disappointed, Ash and the others continue observing the camp

Ash: Pikachu tried to break out. But those cages are too strong.

Lillie: We'll have to free them ourselves.

May: And we'll only get one chance. We need to sneak on them quietly.

Officer Jenny: Be careful, you three. We'll cover you when you need help.

Ash: Alright.

May: Got it.

Lillie: We're ready.

Ty: Teddiursa. Get into position near the cages.

Raye: Eevee, you'll help Teddiursa. This will help block their path.

Eevee: Eevee.

Teddiursa: Teddiursa.

Raye: Stay hidden until we give the signal.

Eevee: **Nodded** Eevee.

Jonah: We'll take the other side.

Sarah: We'll make sure nobody escapes.

Sakura: Leave it to us. We'll block the trucks if they try to leave.

Officer Jenny: All right. Listen up, move into position until they come.

Police Officers: Yes, ma'am!
**Officer Jenny and her police team get in position while Ash, May and Lillie carefully sneak between crates and parked vehicles while the poachers remain distracted with loading cages of the captive Furret, Ampharos,*

*Heracross, Piloswine, Stantler, looking worried. Then, they reached Pikachu and their buddies. Manaphy immediately notices May approaching from behind a stack of crates**

Manaphy: **Relieved** Manaphy.

May: **Relieved** Manaphy. You're okay?

Manaphy: Mana...

Pikachu: Pika...

Ash: Hey buddy. Keep your voice down, will get you out and the others.

Pikachu: **Nodded** Pika.

Lillie: **Quietly** I'll try to open this lock...

Togepi: Togepi.

Lillie: Almost there...
Lillie carefully kneels beside one of the cages and begins working on the latch. Suddenly, a nearby Houndoom lifts its head

Houndoom: Houn! Houn! Houn!

Ash, May & Lillie: **Shocked**

Pikachu & his buddies: **Shocked**

Poacher #6: What was that?!

Poacher #7: Someone's here!
**One of the poachers drew their attention, spotting the kids!*

Poacher #7: It's the intruders!!

Ash: Oh no! Hurry, Lillie!

Lillie: I'm almost there.
Unfortunately, Poachers rush in from all directions, surrounding Ash, May, and Lillie

Poachers #8: Stop right there! You're surrounded!

Lillie: Oh no!

Poacher Leader: **Mocking** Not so brave now, are you? Sorry to interrupt you three. Your rescue mission ends here.
The Leader's Philosophy

Ash: How can you do this to Pokémon?!

Poacher Leader: It's simple. I don't see Pokémon the way you do. Pokémon are tools. It can be bought, sold, and traded for profit.

Lillie: **Mad** That's horrible! Pokémon aren't tools!

Poacher Leader: Believe whatever you want. That's what we're up to.

May: We're not allowing you to do that!

Poacher Leader: Try it if you want. Primeape, let's teach them a lesson!

Primeape: **Growling**

Poacher #1: Skuntank, go!

Poacher #2: Graveler, Ekans go!

Skuntank: Skuntank!

Graveler: Graveler!

Ekans: Ekans!

Poacher #3: Pinsir, go get them!

Poacher #4: Dodrio, stop them!

Pinsir: **Chittering sound**

Dodrio: Dodrio!

Ash, May & Lillie: **Mad**

Poacher Leader: You lose, kids. Surrender now and maybe I won't make things worse.

Ty: Not a chance!

Poacher Leader: Huh!?

Ty: Croconaw, Water Gun!

Raye: Plusle, Spark!

Croconaw: Croc! Croc!

Plusle: Plu! Plu!

Graveler & Ekans: **Being hit**
Croconaw fires a powerful Water Gun directly at Graveler while Ekans was hit by Plusle's Spark, sending it crashing backward, unable to battle after collapsed

Poacher #2: Graveler! Ekans!
Ty: Nice job, Croconaw!

Croconaw: Croco!

May: Ty! Raye!

Lillie: You're here!

Teddiursa: Teddiursa!
With Ty arriving on time, the Poacher leader changes the plan

Poacher Leader: Forget the battle! Move those trucks, now!

Poacher #1: Understood!
Several poachers begin pushing the cage carts and attempting to drive away with the captured Pokémon

May: Manaphy!

Poacher Leader: Don't take another step!

Primeape: **Growling**

May: Ngh!
The poachers rush toward a forest path, unknown to them, Sakura, Avery and Sarah are in position along with Officer Jenny's assistance

Sakura: Here they come!

Avery: Ready...now!
The girls successfully blocked the road, standing in the path

Poacher #4: What the!?

Sarah: Going somewhere?

Poacher #1: Get out of our way!

Avery: No! We're not allowing you to leave!

Poacher #1: Then we'll blast our way through! Magneton, go!

Poacher #2: You're up, Electrode!

Magneton: Magneton!

Electrode: Electrode!

Sakura: They're trying to force a path through!

Poacher #2: Last chance! Get out of our way!

Officer Jenny: It's not happening! Growlithe, use Swift!

Growlithe: Growlithe!

Magneton & Electrode: **Being hit**
Growlithe launches a barrage of shining stars, striking both Pokémon directly, knocking them backward

Poacher #1 & 2: **Shocked**

Officer Jenny: Now!
The police officers emerged from the trees and bushes, blocking their way

Poacher #1, 2, 3 & 4: **Panic**
The officers rush forward and quickly restrain the panicking poachers

Ash: Look, the girls did it!

Lillie: Way to go you three!
Without wasting time, they opened the cages, freeing all the Pokémon companions including the others who are freely escaped
Jonah, and the others begin unlocking the cage doors

Pikachu: Pikachu!

Ash: Welcome back, buddy!

Manaphy: Mana!

May: Manaphy! **Happily hugs Manaphy**

Manaphy: Mana mana!

Lillie: Snowy!

Snowy: Vulpix!

Dawn: We got our pokemons back!

Max: Togepi!

Togepi: Togepi!
Dozens of rescued Pokémon happily run, fly, and leap out of captivity

Poacher Leader: No. No!

Ash: It's over. You lost!

Poacher Leader: I'm not losing everything! Primeape, use Cross Chop!

Primeape: **Growling**

Teddiursa: Ursa!

Eevee: Vee!
Primeape charges forward with glowing arms aimed at Teddiursa and Eevee, leaping aside just as Primeape's Cross Chop slams into the ground

Ty: That was close!

Raye: Primeape's still fighting!

Ty: Now, Teddiursa! Fury Swipes!

Teddiursa: Ursa

Primeape: **Being hit**
Teddiursa rushes forward and slashes Primeape several times

Poacher Leader: Get up, Primeape!

Primeape: **Growling**

Jonah: That's not for you! Give up already!

Poacher Leader: I didn't come this far to lose to a bunch of kids!

Ty: Then let's finish this. Come on out, Gyarados!

Gyarados: **Roaring**

Poacher Leader: **Gasp**

Primeape: **Panicked**

Ty: This battle's over. Iron Tail!

Gyarados: **Roaring**

Primeape: **Being hit**
Gyarados swings its glowing tail directly into Primeape, crashes to the ground and is unable to battle

Primeape: **Fainted**

Poacher Leader: What?!

Ash: That's it, Ty!

Raye: Good work!

Poacher Leader: You cheating twerps!
The Poacher Leader returns his Primeape, glances toward his truck

Poacher Leader: I'm getting out of here! You'll never catch me!

Sakura: He's trying to escape!

Dawn: Not so fast! Quilava, use Flamethrower on the wheels!

Quilava: Quilava!
Quilava fires a powerful Flamethrower toward the truck's tires. The flames strike the wheels, causing them to rapidly deflate and lock up

Poacher Leader: No!
The truck jerks to a stop before it can leave the camp

Max: He stopped!

Lillie: Nice job, Quilava!

Quilava: Quila!

Ty: Well...looks like your hunting day is over.

Poacher Leader: This can't be happening.

Officer Jenny: It is happening. We're placing you and your poacher under arrest for illegal Pokémon poaching and trafficking.
Police officers are loading the arrested poachers into police vehicles while the rescued Pokémon reunite with their trainers

Officer Jenny: **Smile** I want to thank all of you. Without your help, this operation might have continued for a long time.

Ash: **Smile** Ha, that's nothing. We acted as extra assistance for you.

Ty: And we successfully rescued our pokemons back.

Dawn: And it's all thanks to you, Ty.

Ty: Hehehe.
The Poacher Leader was escorted into the police vehicle with his henchmen

Poacher Leader: **Grumble** I'll let you kids go for now. Don't think you won today.

Avery: **Ummused** No one cares about your opinion.

Poacher Leader: Hmph!

Officer Jenny: Well take care of them, you kids stay away from any trouble you encounter.

Ash: Will do, Officer Jenny.

Pikachu: Pika.

Officer Jenny: Oh, and one last thing. Congratulations on becoming the World Champion and winning the Masters Eight Tournament. You got a great talent with you.

Ash: Thanks! Glad you saw me live.

Max: He's a celebrity now!

Ash: I'm still just me, Max.

Ash & his friends: **Laughing**
The golden light of the setting sun shines across the route as Ash, Ty, and their friends continue walking along the trail. The events of the day are finally behind them

Ty: **Phew** What a tough day

Raye: I'm just glad everyone's okay.

Avery: I don't want to run into poachers again anytime soon. They're so annoying.

Max: I think we had enough excitement for one day. But we saved our buddies today.

Togepi: Togepi.

Jonah: Yeah, I'm glad we worked together.

Squirtle: Squirtle, squirtle.

Jonah: I got your back, buddy. I'll carry you for today, is that okay?

Squirtle: **Appreciative** Squirtle.

Lillie: That's what matters most.

Dawn: I think we're all feeling exhausted after everything happened. But I'm feeling better.

Sarah: Same goes to us. Ty made a good effort.

Ty: Anytime, cousin. But I'm ready for my gym battle.

Sakura: Well, the good news is that we're getting closer and we should arrive there sooner.

Ty: **Excited** Really? Oh man, that's great. After everything that's happened, I'm more ready than ever.

Ash: You certainly proved yourself today. You earned your chance.

Pikachu: Pika.

May: After all the training you've done, you'll be ready. Just remember not to overwork yourself.

Manaphy: Manaphy.

Ty: I've still got a lot to learn, but I'm ready to give it everything I've got.

Teddiursa: **Excited** Teddiursa!
Teddiursa proudly pumps its paws in the air as the gang continues down the road together as the sun slowly disappears beyond the horizon

Narrator: As the sun sets on another unforgettable adventure, Ash and his friends move one step closer to Mahogany Town. With their bonds stronger than ever and a new Gym battle on the horizon, Ty prepares to face his greatest challenge yet. What awaits him at the Mahogany Gym?

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
